<b>Renewal of License Class</b>	<b>March 29 Mon</b>	<b>9 AM to 6 PM</b>

TrueCourse Captain's School is a USCG approved school that specializes their instruction on the Inland River Systems and Great Lakes. Our instructors are specially trained to give you every advantage to understand the material that is included on the USCG test (we give the test!). We go the extra mile that most schools neglect, by providing all the other required steps to ensure that you will complete every regulation to obtain your license. No other school "holds your hand" throughout the process of license application like TrueCourse Captain's School.

Yet, our courses are designed for the pleasure boater too. So, even if you're not planning a career as a licensed captain, you find the material will make you a better skipper.

If you have your license, you might wish to upgrade to a Masters License or add the Towing Endorsement to your current license. And for you "old salts", remember that you need to renew your license, with a physical, every 5 years. We offer the approved courses to keep upgrading your license or current.

Green Turtle Bay Resort is a grand place to take your course work. A large marina on Lake Barkley and Kentucky Lake not only offers great dockage, but also has excellent vacation condos for rent while you are in school. The conference center is a first class facility for instruction, plus the town of Grand Rivers offers that resort town feeling. And, don't forget the park system of Land Between the Lakes to explore.

You'll find enclosed a matrix of each license available, and its use. Also included in this package, is the Schedule of Fees for each step. Note that in our OUPV class, we supply everything including student workbooks/manuals, loan of quality Weems and Plath navigation plotting gear, charts, and all the tools necessary to complete the coursework.

We hope you will consider enrolling. Just complete the enclosed form front and back, add a \$100 deposit to save your seat (limited to 24) or the entire fee and ship it out so we can get you under way toward better boating. If you have questions....[CaptainGetter@TrueCourses.com](mailto:CaptainGetter@TrueCourses.com) or 937-478-1947 for more info. See you in class! Captain Ronald Getter
