The Captain's School at ABM invites you to attend a Fall OUPV Class

USCG Approved Courses – No Test at the Coast Guard
Advanced Education to Enhance Boating Skills,
Current Regulations and Confidence at the Helm

We are Coast Guard Approved to Give You the Course & the Test!!

We will arrange for drug test, medical exam, oath, and First Aid/CPR, required for all licenses.

OUPV: Known as the "6-Pack." Limited to 6 charter passengers on uninspected vessels (pleasure boats) up to 100GT.

TOW ENDORSEMENT: This course allows the OUPV and Licensed Master up to 200 tons to acquire a "Towing Endorsement" that permits them to engage in commercial assistant towing services for hire.

MASTER: For boats carrying more than 6 charter passengers that are U.S.C.G. inspected vessels.

SAIL ENDORSEMENT: This course allows the Master Captain to master a sailing vessel more than 6 passengers or inspected boat.

MROP: Recommended for the Master Captain to be the licensed radio operator on a USCG inspected vessel.

LICENSE RENEWAL CLASS: A one day class to replace vessel time, to maintain your 5 year license.

Courses Offered

OUPV: Known as the 6-Pack. This license is required for carrying up to 6 passengers for hire. It can be used for entry level Delivery Captains or mates, or Captains of private boats for short cruises. This is a frequent license used for fishing guides. This is also a great license for the private owner that wishes to become a better Skipper of his own vessel. The course teaches you to be a competent boat pilot. The class is 56 hours long and is scheduled, in most locations, not to interfere with your work schedule.

Tow Endorsement: This addition to either license permits the Captain to engage in the work of towing or salvage; a must if you plan to work for a licensed towing service, or for practical knowledge to assist a fellow boater. The class is 4 hours.

Master Upgrade: This is for larger USCG inspected boats that carry more than 6 passengers, such as ferry boats, dinner cruise boats, water taxis and commercial boats. Most boat delivery Captains hold a Master License to pilot the boat for delivery. This course teaches you the regulations and USCG requirements to “manage” the boat, not necessarily to pilot the vessel. This is a three day class. Most students find it best to take this class directly following the OUPV for easy USCG combined application of license.

Auxiliary Sail Endorsement: This course allows the Master Captain to master a sailing vessel more than 6 passengers, or inspected boat.

MROP: We provide the study guide and FCC test for the Marine Radio Operators Permit. Recommended for the Master Captain to be the licensed radio operator on a USCG inspected vessel.

License Renewal: Your license is good for 5 years, with a 1 year grace period. By taking this one day class, you eliminate the need for 360 days of vessel time to qualify for renewal.
